- 2 Nametapes with USNSCC

Nameplate: LAST NAME ONLY

Training Notes

ALL CADETS AND PARENTS MUST READ AND SIGN THE LAST PAGE OF THE POM AND THE CADET MUST SUBMIT THE SIGNED PAGE ON THE SATURDAY OF EACH DRILL

1. *****PARENTS NOTES***** – There have been recent updates by National Headquarters to have a photo copy of all cadets Health Insurance cards, and Immunization Shot records. Please get this information to me (LTJG White) ASAP!!! Also, please have your cadet bring with them a thumb drive (USB drive) so that we can download there BMR assignments. BMR's and correspondent courses are very important for the cadets promotions and advancements.
2. *****RECRUTI TRAINING***** – Dates to be determined for summer training.
3. **PHYSICAL READINESS TRAINING (PRT)** – Cadets **MUST** pass the PRT to be eligible for all National trainings! PRT will be scheduled for the September, December, March, April, May, and June drills. PT will be scheduled for all other drills. Any cadet who does not pass the PRT will be tested each subsequent month until he/she passes the requirements. The requirements are age specific and may be found on the Unit website.

Until all cadets can complete the PRT successfully, PT will be conducted both mornings of drill. To facilitate PT first thing in the morning, cadets must eat prior to 0630 in the morning and bring a snack to eat after PT.

All cadets must bring PT gear to every drill! Any cadet who does not bring PT gear to drill will perform PT in NWUs.

4. **CHOW** – All cadets must bring a packed lunch, including beverage.
5. **CANTEENS** – All cadets **MUST** bring canteens on belts to drill. There is water available for refills from the water fountain. No bottled water will be supplied to cadets. Canteens may be obtained from any army navy store. The canteen, cover, and belt must be olive drab or black. The Montgomeryville Army Navy Store gives Sea Cadets a 10% discount on items with ID Card. The Unit now has a limited number of canteens available for sale at \$12.00 apiece.
6. **CADET SEA BAG LIST FOR EACH DRILL** – All cadets are required to bring the following items with them each drill:

NWUs **and** Dress Uniform
Notebook and black ball point pen
PT gear (seasonally appropriate)

Marlinspike ropes (supplied by Unit)
Canteen (full)
Bluejacket's Manual

7. **UNIFORMS** –All Cadets must wear the Uniform of the Day unless it is being returned for size or condition. In this case, the cadet will wear the optional uniform and change to the Uniform of the Day as soon as possible. A watch is part of the regulation uniform. Earrings are to be worn only by females and must conform to the regulations in the USNSCC Uniform Manual. Any other devices in piercings, inappropriate clothing or head coverings worn at drill will be grounds for discipline. The latest Uniform Manual is in the parents section of the Unit website. Cadets are encouraged to download the portions applicable to their rate for easy reference.

All cadets will bring their dress uniforms to every drill to allow for Color Guard practice in full uniform.

All Cadets must enter and leave drill in uniform of the day. The **only** exception is when the Cadet is leaving to go to a job. When this occurs, the Cadet is expected to change from the Sea Cadet uniform to business casual attire or work uniform. **Any Cadet found leaving Drill in inappropriate attire will be required to return to spaces and put the Sea Cadet uniform back on to leave drill.**

8. **GROOMING CODE** – Sea Cadet regulations require proper haircuts and styles for all Cadets. If a Cadet arrives on the second day of drill with an inappropriate haircut/hairstyle or any Cadet refuses to adhere to the hair, makeup, or jewelry regulations, the Cadet will be sent home. If a Cadet is sent home due to improper grooming, the day will count as an unexcused absence. Please refer to grooming standards in the new Uniform Regulation for the grooming regulations.
9. **PHYSICAL TRAINING (PT) UNIFORMS** – Warm weather: Unit T-shirt, dark blue shorts or shorts with military logos, and sneakers. **Cold weather:** Dark blue sweatshirt and sweatpants, or sweatshirt and sweatpants with military logos with sneakers. **NOTE:** All PT gear should fit loosely to allow free movement during exercise.
